or tel. 01635 503267

Wednesday 16th November

7.00pm in the Council Chamber,
West Berkshire Council,
Market Street Offices, RG14 5LD

(refreshments from 7.00pm,
presentations start at 7.30pm)

The West Berkshire Green Exchange exists to coordinate environmental/sustainability groups in the district and allows communication between them and partner organisations such as the West Berkshire Partnership and West Berkshire Council. Displays of the activities of the member groups will be on show and there will be a chance to find out what is happening in or near your area.
